

Waldron & Company Statement on Huff Hiring

The Waldron & Company team has had the opportunity to work closely with Sherril Huff and KCE leadership and staff over the last few months. Our work has focused on three key service areas:

- Transition planning for VBM,
- Organizational Effectiveness planning, and
- Management and Leadership Development.

We are very pleased that Sherril has been appointed as Director. Sherril brings great value to King County Elections with her leadership experience and expertise in election management and operations. She also brings a strong work ethic and core values to the culture.

Sherril has clearly been leading the cultural transformation with an emphasis on collaboration, commitment, accountability and measurable results. She works hard to ensure that people are treated with respect, dignity and kindness.

There are a lot of moving parts right now in King County Elections with the transition to VBM, the move to Renton and ongoing work for the upcoming primary and election. There is a lot of positive momentum that Sherril has helped to build within the team. We are confident that she will continue to build on that momentum and serve the public extraordinarily well.
